

## ANNOUNCEMENTS & ACTIVITIES

We provide 3 different online discipleship options on Facebook each week: Devotional Videos every other day, a 20-minute Adult Sunday School Lesson on Sunday mornings, and a 20-minute Midweek Update on Wednesday evenings. You're invited to join us for any or all of these!

All our **Young at Heart** are encouraged to visit the Young at Heart table in the Connector Hallway and pick up a copy of Creekbank News: Facts and Fun. This sheet contains stories, puzzles, quotations, and more. Get your copy today!

### ONLINE GIVING

During these days of isolation, please remember that the church still needs your offerings and contributions to meet financial obligations, support missions efforts, and help those in our community. In addition to giving through the mail, you can use the online portal on our church's website [yellowcreekbaptist.com](http://yellowcreekbaptist.com). With this service you are able to make donations anytime and anywhere, and you can use your bank account, debit or credit card securely. Also your bank may offer a free bill pay service, and you can direct payments to the church anytime.

**Graduate Recognition Sunday is June 14th.** This is for high school, college, etc. Graduates can submit up to 5 pictures and are encouraged to complete the information form found on the Student Ministry Facebook page. Email Bro. Ben with questions/responses at [bfitzgerald@yellowcreekbaptist.com](mailto:bfitzgerald@yellowcreekbaptist.com)

DVD copies of our livestreamed worship services are now available upon request from our church office. They are free for those who cannot access Facebook. You may come by the office during business hours to pick up your DVD, or someone will gladly deliver it to your home.

#### VACATION BIBLE SCHOOL – "ROCKY RAILWAY"

July 13-17th @ 9:00am-noon for children 4 yrs-5th grade  
We don't know what our VBS format will be like this year, but we definitely intend to have it, if possible.  
More information will follow when we know more.

This Sunday we will continue the "re-entry" process by which we return to regular services here at Yellow Creek. This does not mean that things are "back to normal," but it means we are taking concerted steps in that direction. This Sunday, we will record and livestream the service on Facebook just as we have been, but our sanctuary will be open for those who wish to come for the worship service at 10:30am. Please understand that there will be several restrictions in place, including the following:

- \* Do not come if you are sick or if you will not be comfortable around others
- \* Masks are strongly recommended
- \* All physical contact is discouraged
- \* Family groups should sit together, and seating will be on alternating pews with spacing between family groups
- \* No Sunday School, choir, nursery, or childcare
- \* We can only occupy one third of our sanctuary, but overflow spaces are available in the choir room and student room
- \* Limited restroom availability (plan to avoid using the restroom, if possible)
- \* Offering buckets will be available at the rear of the sanctuary
- \* Please do not linger inside the building after the service concludes

There is no pressure for you to attend. We realize that different people view our present situation in various ways, and we respect each person's perspective and want to be gracious to everyone. We also know there are still more challenges to face before this pandemic is behind us. We are striving for a balance of courage and caution. Whether via social media or in-person, we are looking forward to worshipping with you this Sunday.
